

FRANKIE'S QUIZ

Uh Oh! The words at the bottom of the page are all jumbled up!

Can you put the words in the right spot?

Some dogs are big and some dogs are small.

Most dogs are friendly. But some dogs can be scared or angry.

Friendly dogs look relaxed and hold their head up high.

Scared dogs lower their head and hide their tail.

Angry dogs might even growl.

You walk past a dog with its owner and want to pat it. What must you do before you pat the dog?

You must Chat Before You Pat.
